

## Goji & Acacia Honey Jam

Jams

**Shelf life:** 30 Months

**Description:** Goji berries and acacia honey. A delicious jam ideal to prepare breakfast cookies and savory snacks.

**Preservation:** Store in a cool and dry place away from direct sunlight and warm surfaces. Once opened refrigerate and consume within few days.

**Use:** Spicy topping for ice cream, desserts, pancakes, wafels and crepes. You can also eat this jam with a spoon directly from the jar as an alternative to the dried Goji berries.

**Size available:** 100g (3.5 oz)
